Required Communications

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America and <i>Government Auditing Standards</i> issued by the Comptroller General of the United States have been described to you in our arrangement letter dated April 13, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated April 13, 2021 regarding the planned scope and timing of our audit and identified significant risks. Describe changes, if any, to information in the previous communication that have not otherwise been discussed with those charged with governance.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Corporation. The Corporation did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. Significant or Unusual Transactions We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.
Basis of Accounting	Management's Judgments and Accounting Estimates Summary information about the process used by management in formulating particularly sensitive accounting estimates and about our conclusions regarding the reasonableness of those estimates is in the attached Summary of Significant Accounting Estimates. The accounting policies of the Corporation conform to accounting principles generally accepted in the United States of America for governmental units as established by the Governmental Accounting Standards Board (GASB). The financial statements were prepared on the assumption that the Corporation will continue as a going concern.
Audit Adjustments	A summary of audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Corporation are shown in the attached Summary of Recorded Audit Adjustments.

Area	Comments
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Letter Communicating Management Suggestions	We have separately communicated the management suggestions in internal control over financial reporting identified during our audit of the financial statements. This communication is attached as Exhibit A.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Corporation, including the representation letter provided to us by management, are attached as Exhibit B.

Summary of Significant Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events, and certain assumptions about future events. You may wish to monitor throughout the year the process used to determine and record these accounting estimates. The following describes the significant accounting estimates reflected in the Corporation's December 31, 2020 financial statements.

<u>Estimate</u>	<u>Accounting Policy</u>	<u>Management's Estimation Process</u>	<u>Basis for Our Conclusions on Reasonableness of Estimate</u>
Allowance for Doubtful Accounts Receivable	Management reviews accounts receivable to specifically identify amounts due that would be uncollectible.	Estimated amounts are decided upon by the Organization based on management's judgment regarding collectability. Management has determined that an allowance for doubtful accounts was not necessary as of Dec 31, 2020.	Appears reasonable based on history of collections and collection of significant receivables after the balance sheet date.

Summary of Recorded Audit Adjustments

Description	Net Effect-Increase (Decrease)				
	Assets	Liabilities	Fund Balance	Revenues	Expenditures
Income Statement Effect				\$ 428	\$ 247
Balance Sheet Effect	\$ 3,186	\$ 247	\$ 2,939		

The amounts above reflect the net increase/(decrease) to the indicated account classes as a result of 5 entries proposed during our audit procedures, including an adjustment of \$2,758 to opening new net position. These entries have been reviewed and accepted by Jennifer Flad, Executive Director.

Sullivan County Funding Corporation

Monticello, NY 12701

This letter includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements of the Sullivan County Funding Corporation (the "Corporation") as of and for the year ended December 31, 2020. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Corporation's practices and procedures.

We consider the following matter to be a management suggestion:

Capitalization

The Corporation has not adopted a capitalization policy. RBT recommends that the Board adopt a capitalization policy prior to considering the acquisition of any fixed assets. RBT recommends that the Corporation then maintain a fixed asset schedule, calculate depreciation expense, and record fixed asset additions and depreciation expense into QuickBooks on an annual basis.

This communication is intended solely for the information and use of the Corporation and management and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,
