

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Section 103-A of the New York State Public Officers Law will be held by the Sullivan County Funding Corporation (the “SCFC”) on Monday, May 12, 2025 at 10:45 a.m. local time, in the Legislative Committee Room at the Sullivan County Government Center, 100 North Street, Monticello, New York, in connection with the following matter:

The Open Meetings Law (the “OML”) was amended by Chapter 56 of the Laws of 2022, to add Section 103-a (the “Videoconferencing Law”), which provides to public authorities, including the SCFC, the option to use videoconferencing for the purpose of holding remote meetings in a manner that ensures SCFC business is performed in an open and public manner and where the public is able to observe the performance of members of the SCFC and is able to attend and listen to the deliberations and decisions of the SCFC. Section 103-a provides for use of videoconferencing for remote meetings when a member or members of the SCFC cannot be physically present due to “extraordinary circumstances”. The SCFC desires to have the option to hold meetings remotely, should it need to do so. In order to allow members of the SCFC to participate in meetings from non-noticed, non-publicly accessible locations, and in accordance with the statutory requirements of the Videoconferencing Law, the SCFC desires to adopt a resolution (the “Resolution”): (i) authorizing the use of videoconferencing for itself and its committees and subcommittees; (ii) directing each committee and subcommittee to make their own determinations; and (iii) directing the SCFC to establish and adopt written procedures governing member and public attendance at meetings (the “Videoconferencing Policy”), which will be posted to the SCFC website.

A representative of the SCFC will, at the above-stated time and place, present a copy of the Resolution and the SCFC’s proposed Videoconferencing Policy and hear all persons with views in favor of or opposed to the SCFC’s use of videoconferencing. In addition, at, or prior to, such hearing, interested parties may submit to the SCFC written materials pertaining to such matters.

This public hearing will be streamed live on the SCFC’s YouTube channel: <https://www.youtube.com/@sullivancountyfundingcorpo2656>
